

Database Link

Adding Real Quality To Your Business

www.dblink.co.nz

Company

Database Link LLC is an Auckland, NZ & Denver, CO - based software development, marketing and IT outsourcing company. Custom database and web development have been our focus ever since 2002. From CRM and e-commerce design to NGOSS/OSS/BSS solutions implementing, we deliver cost effective and reliable systems for B2B, B2C, and C2C businesses, as hosted SaaS services. Our expertise in system integration for implementing business automation software and OSS solutions marketing in particular is our competitive edge.
